MassHousing is happy to announce that we now have Auto-Debit available for our multi-family borrowers. Through this payment option you can authorize MassHousing to pull funds directly from your Development's bank account (Automatic Debit) to pay your monthly debt service.

It's a great payment option. No more cutting checks or processing ACHs, checks don't get lost in the mail, no Late Fees, no spills! And best of all—**there is no additional cost to you.** The funds are swept from your account automatically each month on a set date. You complete the Authorization Form once and that's it. You may withdraw from the Auto-Debit option at any time with no penalty.

Please contact your MassHousing Loan Analyst at 617-854-1000 to request an Authorization Form or for more information.
